

Hi Bill,

BIG Things are happening within the ministry! These are exciting times to be alive. Let's get to it!

Ministry Praise Reports

- **Video Project Is Complete!** After months of prayer, planning, and work, I am very pleased to say the "Abide in Christ" video series I've been working on has been published and released. 🙌📺 You can view the videos on the following YouTube page:

- **Prison Reopening:** After preparing the initial reopening plans, we were given word from CDCR Headquarters that we would need to wait a bit longer and recalibrate before we could move forward with the plan to reopen. That being said, it is possible I may be cleared to reenter the prison sometime this month!
- **The Men Are Well:** I received the following word of encouragement from the RJD Chaplain yesterday: "I am pleased to say that many of the brothers have taken this challenge seriously and are not only discipling their cellmates ("cellies"), but other men as well. It has been a tremendous blessing on each yard to know that the Christian Community has not only answered the call to go and make disciples, but they are faithfully bearing one another's burdens and thus, fulfilling the law of our Lord Jesus!"

Ministry Prayer Requests

- **Prison Reopening:** It appears we are close to the prison reopening. Please keep the timing and safety this process in prayer. 🙏📺
- **Volunteer Enrichment Program:** I am currently working with a team of men to create a "Volunteer Enrichment" program. This will be a weekend retreat held outside the prison for the purpose of training, enriching, and recruiting volunteers. Please keep the planning of this program in prayer, as it has great potential to bless our community in a multitude of ways! Stay tuned for more information.

Personal Praise Reports

- **Hunger for the Word:** Recently I have discovered a renewed hunger to study, search, and marinate on the Word of God. This, in large part, has been a product of the slowing of my morning devotional time and rhythms.
- **Household in Order:** With the blessing of some extra time, I have been able to complete many little projects around my home, helping to create holy hosting space.
- **Relationship:** Several weeks ago the Lord brought a wonderful woman into my life. While the distant future of this relationship remains a mystery, it is a great blessing to cultivate a Christocentric relationship with someone who is attractive and fun. 😊

Personal Prayer Requests

**Emotionally Healthy Relationships:** Last Wednesday I begun an eight week course through my church which focuses on cultivating emotionally healthy relationships. While only one week into the journey, I can already see how God is going to use this course to help heal and deepen my relationships, not only with my father, but with everyone. Please keep this process in your prayers.

Thank you for your support of the ministry. While prayer is the biggest need, know that any financial assistance you may be led to give goes a long way.

May the God of hope, fill you with all joy and peace, as you trust in him.

In Service of The King. With Love,

*Aaron*
